

Central FL Family History Centers

Updated June 8, 2021

To find a Family History Center in the area you live or are visiting, go to this website, and enter the ZIP Code or city name

<https://www.familysearch.org/locations/>

It is very important to phone the FHC before going there, because hours can change without notice, and some of the FHC's have closed, even though the website still shows them operating.

Here are some of the FHC's in Central Florida. They are located within LDS (Mormon) churches, except for the one in Southwest Orange County, which is across the street from the Mormon temple.
